**O R D E R:-**

Based on the reports of the General Administration (V&E) Department, in the reference first read above, the Chief Engineer (TW) in the Proceedings sixth read above, has framed the following charges against Sri D.S.Koti Reddy, formerly T.A. Office of the Superintending Engineer, TW, Warangal and directed him to submit his explanation within 10 days from the date of receipt of the charge Memo.

**Charge No.1**

Non inclusion of Seignorage Charges on earth work quantities in the estimates sanctioned in the TWED in Warangal District in the following works

- 1).BT road from Z.P. road to Laxmipur in Mangapet Mandal sanctioned in T.S. No. & date:30/2002-03 dt.16-02-2003 by the Superintending Engineer, TW, Warangal for Earthwork Quantity of 7003 cum;
- 2).Formation and metalling and B.T. road from Z.P. road to Ramnagar sanctioned in T.S. No. & date:20/2002-03 dt.14-11-2003 by the Superintending Engineer, TW, Warangal for Earthwork Quantity of 9398 cum;
- 3).Metalling and BT road from Bhupallyto Azamnagar from KM o/o to 8/0 sanctioned in T.S. No. & date:34/2002-03 dt.2-1-2003 by the SE, TW, Warangal for Earthwork Quantity of 708 cum;
- 4).Metalling and BT road from Bhupally to Azamnagar from 8/0 to 13/0 sanctioned in T.S. No. & date:35/2002-03 dt.2--1-2003 by the Superintending Engineer, TW, Warangal for Earthwork Quantity of 1374 cum;

5).Providing B.T. surface on road from Katinagaram cross road to Jangalapally of Kothaguda Manda sanctioned in T.S. No. & date:19/2001-02 dt.18-12-2001 by the Superintending Engineer, TW, Warangal for Earthwork Quantity of 5196 cum;

6).Road from Bollepally to Katrapally via Rajanpally sanctioned in T.S. No. & date:32/2001-02 dt.16-12-2001 by the Superintending Engineer, TW, Warangal for Earthwork Quantity of 776 cum;

Charge II:

Non-recovery of Seigniorage charges on earth work quantities in the estimates sanctioned in the TWED in Warangal District on the works mentioned in Article of charge No.1

2. Sri D.S.Koti Reddy, formerly T.A. Office of the Superintending Engineer, TW, Warangal in the reference seventh read above, has submitted his explanation stating that out of the (7) road works as stated in the statement, the estimate for the work "Providing B.T. Surface on road from Katinagaram Cross road to Jangalapally" only was approved during his tenure when he was working as T.A. to Superintending Engineer, TW, Warangal and at the time of preparation and sanction of estimates for the road works he contacted the sister Engineering Department and they informed that the seignorage charges are considered only on carted earth work quantity; that the same procedure was adopted in the TW Department, while preparing the road works estimates, and as there is no carted earth, the seignorage charges were not considered in the estimates of road works; that the same was also clarified by the Superintending Engineer, TW, Warangal during the inspection of Executive Engineer, TW QC & V, Hyderabad; that on the observation and as per the instructions of the V & E, the sufficient Seignorage charges are provided in the estimates of the said road works and recovered the seignorage charges amount accrued and remitted to the Mines & Geology Department and informed to the Executive Engineer, TW QC & V during his inspection of the relevant records, who was convinced that this lapse was not done intentionally but it was done due to communication gap and recommended that it is not necessary to propose the action against the officers concerned as the lapse was ably and correctly regulated by recovery of the amount towards seignorage Charges, of the road works; and that there is no financial loss to the Government as stated in the charge. Hence he has requested to drop the charges as it was done only as a routine procedure as was similar to the procedure of sister Engineering Department.

3. After careful examination of the appraisal report of General Administration (V &E) Department, and remarks of the Engineer-in-Chief (TW), observed that the seignorage charges were incorporated later in the working estimates, recovered from the contractor bills and remitted to the A.D Mines, Warangal and hence there was no loss to the Government; and that the Superintending Engineer, (TW) Warangal and Chief Engineer (TW) also reported that the Charged Officer has fairly discharged his duties and due to adopting procedure in vogue, it was found as lapse by the General Administration (V &E) Department but not intentionally done it is therefore decided to issue warning to the Charged Officer to be more cautious in future. Accordingly, Government hereby drop further action on the charges framed against Sri D.S. Koti Reddy, formerly T.A. Office of the Superintending Engineer, TW, Warangal and warn him to be more careful in future.

4. The Engineer-in-Chief (TW), Hyderabad shall take action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

**V.NAGI REDDY**
